Congratulations, you've found it! Intentionally or not!

What the heck is this thing doing here with all these things in it?

It is part of a worldwide game dedicated to GPS (Global Positioning System) users, called Geocaching. The game basically involves a GPS user hiding "treasure" (this container and its contents), and publishing the exact coordinates so other GPS users can come on a "treasure hunt" to find it.

IF YOU FOUND THIS CONTAINER BY ACCIDENT:

Great! You are welcome to join us! We ask only that you please do not move or vandalize the container. The real treasure is just finding the container and sharing your thoughts with everyone else who finds it by signing the logbook/sheet.

If this container needs moved for any reason – please contact us at
